If time was still the sun	We're chasing (7) to (8) our shadow
Would never, never find us	Peter Pan and Wendy turned out fine
We could light up	So won't you fly with me
The sky tonight	Maybe you (9) just afraid
I would see the world (1) your eyes	Knowing you were miles away
And (2) it all behind	From the place where you needed to be
If it's you for me forever	And that's right here with me
If it's you and me right now that'd be alright	It's you and me forever
Be alright	You and me right now that'd be alright
We're chasing stars to (3) our shadow	If it's you for me forever
Peter Pan and Wendy turned out fine	If it's you and me right now I'd be alright
So won't you fly with me	Be alright
Oh yeah	We're (10) stars to lose our shadow
Gonna fly with me now	Peter Pan and Wendy turned out fine
Now the (4) is come	So won't you fly
Alive and (5) and a	Fly
reason	Fly
To give all I can	With me
To believe once again	
If it's you for me forever	
If it's you and me right now that'd be alright	
Be alright
