I got to say it and it's hard for me	Not you and I
You got me crying like I	My love is stronger than the universe
Thought I would (1) be	My soul is crying for you
Love is believing	And that cannot be reversed
But you let me down	You made the rules
How can I love you when you	And you could not see
Ain't around	You made a (6) out of
And I	Hurting me
Get to the morning and you (2) call	Out of my mind, I am held by the power
Love should be everything or	Of you, love
Not at all	Tell me when do we try
And it don't matter	Or should we say goodbye
Whatever you do	Why do you have to be a
I made a life out of	Heartbreaker
Loving you	When I was being what you want me to be
Only to find any dream that I follow	Suddenly everything I ever wanted
Is dying	Has passed me by
I'm crying in the rain	Why do you have to be a
I (3) be searching my world	Heartbreaker
For a love everlasting	Is it a lesson that I
Feeling no pain	Never knew
When will we meet again	Suddenly everything I ever wanted
Why do you have to be a	My love for you
Heartbreaker	Why do you (7) to be a
Is it a lesson that I	Heartbreaker
Never knew	When I was being what you want me to be
Got to get out of the spell that I'm under	Suddenly (8) I (9)
My love for you	wanted
Why do you have to be a	Has passed me by
Heartbreaker	Tell me
When I was being what you want me to be	Why do you have to be a
Suddenly everything I (4) wanted	Heartbreaker
Has (5) me by
