Cruise (Remix) by Florida Georgia Line & Nelly

•••	So, baby, you a song
Baby, you a song	You make me wanna roll my windows down
You make me wanna roll my (1) down	And cruise
And cruise	My windows down, my seats back
I got my windows down	My (14) up, and we ride
And the radio up, get your radio up	Her legs up on my dashboard
What up Nelly, alright	And it's just the way I like
I got my windows down	Hey, (15) girl, this country boy
And the radio up, get (2) radio up	Like (16) about you
Yeah, when I first saw that bikini top on her	Don't change a thing, no way
She's poppin' right out	You (17) the same, I got you
Of the South Georgia water	I like saw that, all that
Thought, oh, good Lord	Head to toe you all that
She had them long tanned legs	Tell ole boy he call back
Couldn't help (3) so I walked up and said	Send a text say, "fall back" 'cause
Baby, you a song	I can see you got a thing for the fast life
You make me wanna (4) my windows down	So come on, shawty
And cruise	Let me show you what the fast like
Down a (5) road blowin' stop	Whipping 'cross the border
Signs through the middle	Florida into Georgia
Every (6) farm (7) with you	'Cause, baby, you a song
And this brand new (8) (9) a lift kit	And you make me wanna (18) my
Would look a hell a lot better	(Roll my, roll my, r-r-roll)
With you up in it (come on)	Baby, you a song
So, baby, you a song	You (19) me wanna (20) my windows
You make me wanna roll my windows down	down
And cruise	And cruise
I got my windows down	Down a back road (21) stop
And the radio up, get (10) radio up	Signs through the middle
Yeah, she was sippin' on Southern	Every little farm town with you
And singin' Marshall Tucker	And this (22) new (23)
We were falling in love	(24) a lift kit
In the sweet heart of summer	Would look a hell a lot better
She hopped right up	With you up in it (come on)
Into the cab of my truck and said	Baby, you a song
"Fire it up! Let's go get this thing stuck!"	You make me wanna roll my windows down
Baby, you a song	And cruise
You (11) me wanna (12) my windows	I got my (25) down
down	And the radio up, get your radio up
And cruise	(Get those windows down and cruise)
Down a back road blowin' stop	I got my (26) down
Signs through the middle	And the radio up, get your radio up
Every little (13) town with you	(Get (27) windows down and cruise)
And this brand new Chevy with a lift kit	I got my windows down
Would look a hell a lot better	And the radio up, get (28) up
With you up in it (come on)
