Fill in the gaps

Had an epiphany, and this what it seems
These smoking (1)_____ don't wanna believe
For far too long they've been plottin on me
The stories unfolding now, it's a conspiracy
Starting to feel like a deja vu
I remember being here
Must be a glitch in the matrix
Look around they all got the same face on
I'm standing by the phone someone call me
Bring me to life...
Show me how to live...
'Cause I lose control, feeling like Neo
In the matrix, I just wanna live
I just wanna live (oh woah)
I took a red and a (2)_____ pill, now I
Can't decide what's (3)_____ believe or (4)_____
am I
Awake or am I still asleep?
It's killing me...
Until the oracle I (5)_____ to know
What I was supposed to do
She said I see on my own
And the craziest thing is that you already know
How to decipher the signs
On the side of the road oh woah
Starting to feel like a deja vu
I remember being here
Must be a (6)_____ in the matrix

Look around they all got the same face on
I'm standing by the phone (7)_____ call me
Bring me to life...
Show me how to live...
Cause I lose control, feeling like Neo
In the matrix, I just wanna live
I just wanna live (oh woah)
I took a red and a (8)_____ pill, now I
Can't decide what's make believe or real am I
Awake or am I still asleep?
It's killing me...
I need you, you gotta help me
I'm part human, part android
I (9)_____ your power so you can't judge me
Judge me
(Oh woah) stuck in the matrix
(Oh) bring me to life
Bring me to life...
Show me how to live...
'Cause I lose control, feeling like Neo
In the matrix
I just wanna live
I just wanna live (oh woah)
