Had an epiphany, and (1) (2)	it seems	Look around they all got the (1	6) face on
These smoking mirrors don't (3)	believe	I'm (17) by	y the phone someone call me
For far too long they've been plottin on me		Bring me to life	
The stories unfolding now, it's a conspiracy		Show me how to live	
Starting to feel (4) a deja vu		Cause I lose control, feeling like Neo	
remember being here		In the matrix, I just wanna live	
Must be a glitch in the matrix		I (18) wanna live (oh woah)	
Look around they all got the same (5)	on	I took a red and a blue pill, now I	
I'm standing by the phone someone call me		Can't (19) what's make (20)	
Bring me to life		or real am I	
Show me how to live		Awake or am I still asleep?	
'Cause I (6) control, feeling like Ned	0	It's killing me	
In the matrix, I (7) (8)	live	I need you, you gotta help me	
I just (9) live (oh woah)		I'm part human, part android	
I took a red and a blue pill, now I		I (21) your power so you can't judge me	
Can't decide what's make believe or real am I		Judge me	
Awake or am I still asleep?		(Oh woah) stuck in the matrix	
It's (10) me		(Oh) (22) me to life	
Until the (11) I wanted to know	V	Bring me to life	
What I was supposed to do		Show me how to live	
She (12) I see on my own		'Cause I lose control, (23)	like Neo
And the craziest thing is that you already know	1	In the matrix	
How to decipher the signs		I (24) (25)	live
On the (13) of the road oh woah		I just wanna live (oh woah)	
Starting to feel like a (14) vu			
I remember being here			
Must be a (15) in the matrix
