

Matrix by Chris Brown

Had an epiphany, and this what it seems
These smoking mirrors don't (1)_____ believe
For far too long they've been plottin on me
The stories unfolding now, it's a conspiracy
Starting to feel like a deja vu
I remember being here
Must be a (2)_____ in the matrix
Look around they all got the same face on
I'm standing by the phone (3)_____ call me
Bring me to life...
Show me how to live...
'Cause I (4)_____ control, feeling like Neo
In the matrix, I just wanna live
I just wanna live (oh woah)
I took a red and a blue pill, now I
Can't decide what's make believe or real am I
Awake or am I still asleep?
It's killing me...
Until the oracle I wanted to know
What I was supposed to do
She said I see on my own
And the craziest thing is that you already know
How to decipher the signs
On the side of the road oh woah
Starting to feel like a deja vu
I remember being here
Must be a glitch in the matrix
