

If you're lost and alone

## Fill in the gaps

Well, I (1) up to the (2)_	of s	silence the	Or you're sinking (8) a stone
cars			Carry on
Were cutting like knives in a fist figh			May your past be the sound
And I found you with a bottle of wine			Of your feet upon the ground and
Your head in the curtains			Carry on
And (3) like the Fourth of July			(Woah)
You swore and (4) "we are not"			My head is on fire
"We are not shining stars"			But my legs are fine
This I know			After all they are mine
I (5) said we are			Lay your clothes down on the floor
Though I've never been			Close the door
Through hell like that			Hold the phone
I've closed enough windows			Show my how
To know you can never look back			No one's is ever (9) to stop us now
If you're lost and alone			'Cause we are
Or you're sinking like a stone			We are shining stars
Carry on			We are invincible
May your past be the sound			We are who we are
Of your feet upon the ground			On our darkest day
Carry on			When we're miles away
Carry on, carry on			So we will come
So I met up			We will find our way home
With some friends at the edge of the nigh		If you're lost and alone	
At a bar off 75			Or you're sinking a stone
And we talked and talked			Carry on
About how our parents will die			May your past be the sound
All our (6)	and wives		Of your feet upon the ground and
But I'd like to think			Carry on
I can cheat it all			
To make up for the (7)	I've been cheat	ed on	Carry on, carry on
And it's nice to know			Carry on, carry on
When I was left for dead			
I was found and now I don't roam these streets			
I am not the ghost you want of me
