All the (1) girls on a Saturday night	Will you break and take all the (9) from my
So I call your name, cross my fingers	mouth?
Uncross the others, hesitate	I wish all the pretty girls were (10) me down
(Oh) I don't think straight	But not you
With nothing to prove	You (11) wear (12) and your hair
I don't wanna say I'm leaving	is too long
I'll stay until the weekend	And then (13) one
You can take all your things	Doesn't (14) to (15) she's
The (2) and rings	(16) in love
And get going	(Oh) c'mon (oh) c'mon what's a boy to do
Cause I've been waiting for	When all the (17) girls can't measure to you?
All the pretty girls on a Saturday night	I don't understand (18) reasons
Let it be, and come to me with the look in your eyes	Please (19) stay over the weekend
Will you break and take all the worlds (3) my	You can't take all those things
mouth?	They define you and me
I wish all the pretty girls	Everything we've become
Were (4) me down, so I call	You're all that I need
I call you out	Please don't make me face my generation alone
Just to feel a little (5) about myself	All the pretty girls on a Saturday night
(He does) I do (you do)	Let it be, and come (20) me
Baby I do, I do, I do	With the look in your eyes
Till their lips start to move	Will you break and take all the words from my mouth?
And (6) friends wanna (7) music	I wish all the pretty girls were shaking me down
I say "I've never heard the tune"	But not you
But I have, I (8) hate the band	I feel your (21) is destroying the world
Cause they remind me of you	And (22) (23) one never really
Every single night ends up the same	understood
I don't say much at all, but I bring up your name	The 80s is over and done
(Over and over and over)	(Oh) c'mon, what's a boy to do
I think it's striking me out	When all the pretty girls can't measure to you?
All the pretty girls on a Saturday night	All the pretty girls on a (24) night

With the look in your eyes	All the pretty girls on a Saturday night
