All the pretty girls on a Saturday night	Will you (6) and take all the words from my
So I call (1) name, cross my fingers	mouth?
Uncross the others, hesitate	I wish all the pretty girls were shaking me down
(Oh) I don't think straight	But not you
With (2) to prove	You still wear boots and your hair is too long
I don't wanna say I'm leaving	And then this one
I'll (3) until the weekend	Doesn't want to admit she's fallen in love
You can take all your things	(Oh) c'mon (oh) c'mon what's a boy to do
The boxes and rings	When all the pretty girls can't measure to you?
And get going	I don't understand your reasons
'Cause I've been waiting for	Please just stay over the weekend
All the pretty girls on a Saturday night	You can't take all (7) things
Let it be, and come to me with the look in your eyes	They define you and me
Will you break and take all the (4) from my	Everything we've become
mouth?	You're all that I need
I wish all the pretty girls	Please don't make me face my (8)
Were shaking me down, so I call	alone
I call you out	All the pretty (9) on a Saturday night
Just to feel a little better about myself	Let it be, and come with me
(He does) I do (you do)	With the look in your eyes
Baby I do, I do, I do	Will you break and take all the words from my mouth?
Till their lips start to move	I wish all the pretty (10) were shaking me down
And (5) friends wanna talk music	But not you
I say "I've never heard the tune"	I feel your faith is destroying the world
But I have, I just hate the band	And then this one never really understood
'Cause they remind me of you	The 80s is over and done
Every single night ends up the same	(Oh) c'mon, what's a boy to do
I don't say much at all, but I bring up your name	When all the pretty girls can't measure to you?
(Over and over and over)	All the pretty girls on a Saturday night
I think it's striking me out	All the pretty girls on a Saturday night
All the pretty girls on a Saturday night	All the pretty girls on a Saturday night
Let it be, and come with me	All the pretty girls on a Saturday night
