

## Fill in the gaps

Eye to eye stand winners and losers	Sweet little death
Eye to eye stand williers and losers	
Hurt by envy	Just have been lies
Cut by greed	Some memories of
Face to face with their own disillusions	Gone by times
The scars of old romances (1) on their cheeks	Will still recall the lie
And when blow by blow	The first cut won't hurt at all
The (2) dies	The second only makes you wonder
Sweet little death	The third will (7) you on your knees
Just have (3) lies some memories of	You start bleeding I start screaming
Gone by times	The first cut won't (8) at all
Would still recall the lie	The second only makes you wonder
The first cut won't hurt at all	The third will have you on your knees
The second only makes you wonder	You start bleeding I start screaming
The (4) will have you	The first cut won't hurt at all
On your knees	The second only makes you wonder
You start (5) I start screaming	The third will have you on your knees
It's too late the (6) is made by fate	You start bleeding I start screaming
Time to prove what forever should last	The first cut won't hurt at all
Whose feelings are so true	The second only makes you wonder
As to stand the test	The third will (9) you on your knees
Whose demands are so strong	You start bleeding I start screaming
As to parry all attempts	
And when blow by blow	
The passion dies
