Fill in the gaps

True Love by P!nk & Lily Allen

Sometimes I hate every
Single stupid word you say
Sometimes I wanna slap you
In your whole face
(Whoa-oh, oh)
There's no one quite (1)_____ you
You push all my buttons down
I know life would (2)_____ without you
(Whoa-oh, oh)
At the same time, I (3)_____ hug you
I wanna (4)_____ my hands around your neck
You're an asshole but I (5)_____ you
And you make me so mad I ask myself
Why I'm still here
Or where could I go
You're the only love I've ever known
But I hate you
I really hate you, so much
I think it must be
True love
True love
It must be
True love
Nothing else can break my heart like
True love
True love
It must be true love
No one else can break my heart like you
(Oh oh oh...)
Just once tried to wrap your
Little grain around my feelings
Just once (6)_____ try no to be so mean
(Whoa-oh, oh)
Repeat after me now
(R-O-M-A-N-C-E-E-E)
Come on I'll say it slowly (romance)
You can do it babe
At the (7)_____ time, I wanna hug you
I wanna wrap my hands around your neck
You're an asshole but I love you
And you make me so mad I ask myself
Why I'm still here
Or where could I go
You're the only love I've ever known
But I hate you
I really hate you, so much
I think it must be
True love
True love
It must be
True love
Nothing else can break my heart like
True love
True love
It must be true love
And no one else can break my heart like you
(Oh oh oh...)
(Think it must be love, I love you)
(I think it must be love, I love you)
Why do you walk me off the wrong way?
Why do you say the things that you say?
Sometimes I wonder how we ever came to be
But without you I'm incomplete (oh)
(I think it must be) true love (it must be)
True love (I think it must be)
True (8)_____ (it must be)
Nothing else can break my heart like
True love (it must be)
True (9)_____ (I think it must be)
True love (it must be)
And no one else can break my heart like you
(Oh, oh, oh, oh...) like you
No one else can break my heart (10)_____ you
(Oh, oh, oh, oh...) like you
No one else can break my heart like you

Fill in the gaps
