

## Fill in the gaps

High (1) into frozen waves			And makes us	s (b)	an (/)
Where the past comes back to life			sense		
Fight fear for the selfish pain			Don't (8) as I try to leave		
And it's worth it every time			'Cause we both know what we'll choose		
Hold still (2)	(3)	we crash	If you (9)	(10)	I'll push too deep
'Cause we (4) know how this ends			And I'll fall right back to you		
Our clock ticks till it breaks your glass			'Cause you are the piece of me		
And I (5) in you again			I wish I didn't need		
'Cause you are the piece of me			Chasing relentlessly		
I wish I didn't need			Still fight and I don't know why		
Chasing relentlessly			If our love is tragedy		
Still fight and I don't know why			Why are you my remedy?		
If our love is tragedy			If our love's insanity		
Why are you my remedy?			Why are you my clarity?		
If our love's insanity			Why are you my clarity?		
Why are you my clarity?			Why are you my remedy?		
If our love's tragedy			Why are you my clarity?		
Why are you my remedy?			Why are you my remedy?		
If our love's insanity			If our love is tragedy		
Why are you my clarity?			Why are you my remedy?		
Walk on through a red parade			If our love's insanity		
And refuse to make amends			Why are you my clarity?		
It cuts deep through our	ground
