## Thunder Road by Bruce Springsteen

The screen door slams		Heaven's (6) on dow	n the tracks
Mary's dress sways		Oh-oh (7) take my hand	
Like a vision she dances across the porch		Riding out tonight to case the promised land	
As the radio plays		Oh-oh thunder road, oh thunder road oh thunder road	
Roy orbison singing for the lonely		Lying out there like a killer in the sun	
Hey that's me and i want you only		Hey i know it's late we can (8)	_ it if we run
Don't turn me home again		Oh thunder road, sit tight take hold	
just can't face myself alone again		Thunder road	
Don't run (1) inside		Well i got this guitar	
Darling you know (2) what i'm here for		And i learned how to make it talk	
So you're scared and you're thinking		And my car's out back	
That maybe we ain't that young anymore		If you're ready to take that long walk	
Show a little faith, there's (3)	in the night	From your front porch to my front seat	
You ain't a beauty, but hey you're alright  Oh and that's alright with me  You can hide `neath your covers  And (4) your pain  Make crosses from your lovers  Throw roses in the rain		The door's open but the ride it ain't free	
		And i know you're lonely	
		For words that i ain't spoken	
		But tonight we'll be free	
		All the promises'll be broken	
		There were ghosts in the eyes	
Waste your summer (5)	_ in vain	Of all the boys you sent away	
For a savior to rise from these streets  Well now i'm no hero  That's understood  All the redemption i can offer, girl s beneath this dirty hood  With a chance to make it good somehow  Hey what else can we do now?  Except roll down the window  And let the wind blow  Back your hair		They haunt this dusty beach road	
		In the skeleton frames of (9)	out chevrolets
		They scream your name at night in the street	
		Your graduation gown lies in rags at their feet	
		And in the lonely cool before dawn	
		You hear their engines roaring on	
		But when you get to the porch they're gone	
		On the wind, so mary climb in	
		It's a town full of losers	
		And i'm pulling out of here to win.	
Well the night's busting open
