Fill in the gaps

Can't Hold Us by Macklemore & Ryan Lewis

(But so we put our has up)
Alright, ok
Alright, ok
Return of the Mac
Get them what it is, what it does
What it is, what it isn't
Looking for a (1) way to get up out of bed
Instead of getting on the internet
And checking out who hit me, get up
Thrift shop, pimp strut walking
Little bit of humble, little bit of cautious
Somewhere between like Rocky and Cosby
Sweater game nope nope you all (2) copy (yup)
Bad, moonwalking, it is here, it's our party
My posse's been on Broadway
And we did it our way, throne music
I shed my skin
And put my bones into everything I (3) to it
And yet I'm on
Let that stage light
Go and shine on down
Got that Bob Barker (4) game and plinko in my style
Money
Stay on my craft and (5) around for those pounds
But, I do that to pass the torch
And put on for my town
Trust me
On my I-N-D-E-P-E-N-D-E-N-T shit hustling

Chasing dreams since I was fourteen

With the four track bussing Halfway cross that city with the backpack, fat cat Crushing labels out here No they can't tell me nothing We (6)_____ that to the people Spread it across the country Labels out here No they can't tell me nothing We give it to the people Spread it across the country Here we go back This is the moment Tonight is the night We'll fight till it's over So we put our hands up Like the ceiling can't hold us Like the ceiling can't hold us Here we go back This is the moment Tonight is the night We'll fight till it's over So we put our hands up Like the ceiling can't (7)____ us Like the ceiling can't hold us Now can I kick it, thank you Yeah I'm so damn grateful I grew up, really wanted gold fronts

But that's what you get when Wu-Tang raised you

Go hard like I got an eight o eight in my heart beat

You all can't stop me

And I'm eating at the beat

Like you gave a little speed

To a great white shark on shark week, raw
Time to gone off, I'm gone
Deuces goodbye
I got a world to see

And my girl she wanna see Rome Ceasar will make you a believer, no I (8)_____ ever did it for a throne

That validation comes

From giving it back to the people, no

Sing the song and it goes like

Raise (9)_____ hands, this is our party

We came here to live life

Like nobody was watching, I got my city

Right behind me, if I fall, they got me

Learn from that failure gain humility

And then we keep marching ourselves (here we go back)

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Like the ceiling can't hold us

Here we go back

This is the moment

Tonight is the night

We'll fight till it's over

So we put our hands up

Like the ceiling can't hold us

Like the ceiling can't hold us
(But so we put our hand up)
(But so we put our hands up)
Let's go
(Na na na na na na na)
And all my people say
(Na na na na na na na)
That's right, here we go
And all my people say
(Na na na na na na na)
(That's alright)
(Oh)
And all my people say
(Na na na na na na na)
(Macklemore)
Let the night come
Before the fight's won
Some might run
Against the test
But those that triumph
Embrace the fight 'cause
It be as there to prove
That courage exists, come on
Now let the night come
Before the fight's won
Some might run
Against the test
But those that triumph

Embrace the fight 'cause
