

## Fill in the gaps

I (1)	drag you from the ocean	That's deeper (6)	my pride	
I could pull you from the fire		'Cause I will never be for	'Cause I will never be forgotten	
And (2)	you're standing in the shadows	Forever I'll fight		
I could open up the sky		And I don't need this life		
And I could give you my devotion		I just need	I just need	
Until the end of time		Somebody to die for	Somebody to die for	
And you will never be forgotten				
With me at your side		Somebody to cry for		
I don't need this life		When I'm lonely (I'm lor	When I'm lonely (I'm lonely, I'm lonely)	
I just need		And I don't need (7) life		
Somebody to die for		I just need	I just need	
		Somebody to die for		
Somebody to cry for		Somebody to cry for		
When I'm lonely (	I'm lonely, I'm lonely)	When I'm (8)	(I'm lonely, I'm lonely)	
When I'm (3)	in the fire	Don't go gentle into the good night		
I (4) lo	ok him in the eye	Rage on (9)	the dying light	
And I will let the (	5) know that			
I was brave enoug	gh to die			
And there's no he	Il that he can show me
