Something For The Pain by Bon Jovi

Pull me under (help)

Fill in the gaps

Happiness, it's been no friend to me		Run through my veins (I'm)
But (1) a	after ain't what it's all cracked up to	To a place where I feel no pain (falling)
be		Be the pillow (7) my head (night)
Yeah, I had a taste, you were my fantasy		Cover me when I'm in your bed (is calling)
But I almost lost my (2) when I hit reality		Take me higher than I've ever been (feels like)
I don't need no Guru to tell me what to do		Take me down and back again (I'm flying)
When your feeling like a headline		Come to me, be my disguise (Christ)
On yesterday's news		Open your coat, let me crawl inside (I'm dying)
Come on, come on		Come on, come on
Give me something for the pain		Come on, come on
Give me something for the blues		Give me something for the pain
Give me (3)	for the pain when I feel	Give me something for the blues
I've been danglin' from a ha	ang-man's noose	Give me something for the pain when I feel
Give me shelter from the rain		I've been danglin' from a hang-man's noose
Give me something I can use		Give me shelter (8) the rain
To get me through the night		Give me something I can use
Make me feel all right		To get me through the night
Something like you		Make me feel all right
Come on, come on		Something like you
Loneliness has found a home in me		Give me something for the pain
My suitcase and guitar are my only family		Give me (9) for the blues
I've tried to need someone		Give me something for the pain when I feel
Like they needed me		I've been danglin' from a hang-man's noose
I opened up my heart		Give me shelter from the rain
But all I did was bleed		Give me something I can use
I don't need no lover		To get me through the night
Just to get screwed, oh yeah		Make me feel all right
They don't make a bandage		Something (10) you
That's going to cover my bruise		Come on, come on, come on, come on
Come on, come on		Come on, come on, come on, come on
Give me something for the pain		Give me!
Give me something for the blues		Give me something for the pain
Give me something for the pain (4) I feel		Give me!
I've been danglin' from a hang-man's noose		Give me something for the blues, oh yeah
Give me shelter from the rain		Give me!
Give me something I can us	se	Why don't you give me something for the pain, baby
To get me (5)	the night	Give me!
Make me feel all right
