

Real love

# Fill in the gaps

# Super Rich Kids by Frank Ocean & Earl Sweatshirt

Too many bottles of this wine we can't pronounce	I'm searching for a (19) love
Too (1) bowls of that green, no Lucky Charms	A real love
The maids come around too much	I'm searching for a real love
Parents ain't around enough	Oh, real love
Too (2) joy rides in daddy's Jaguar	Close your eyes to what you can't imagine
Too many (3) lies and	We are the xany-gnashing caddy-smashing,
White lines	(20) ass
Super rich (4) with nothing but loose ends	He mad, he snatched his daddy's Jag
Super (5) kids (6) (7)	And used the shit for batting practice
but fake friends	Adam and (21) thrashing
Start my day up on the roof	Purchasing crappy grams
There's nothing like this type of view	With half the (22) of cash you handed
Point the (8) at the tube	Panic and (23) me up
I (9) expensive news	Pappy (24) latch-keyed us
New car, new girl	Toying with Raggy (25) and Mammy
New ice, new glass	(26) had enough
New watch, good times, babe	Brash as ****
It's good (10) (yeah)	Breaching all these aqueducts
She washed my back (11) times a day	Don't believe us
This (12) (13) feels so amazing	Treat us like we can't erupt
We'll both be high	We end our day up on the roof
The help don't stare	I say I'll jump, I never do
They just (14) by	But when I'm drunk I act a fool (talking about)
They must don't care	Do they sew wings on tailored suits
A million one, a million two	I'm on that ledge
A hundred more will never do	She grabs my arm
Too many (15) of this wine we can't	She slaps my head
pronounce	It's good times, yeah
Too many bowls of that green, no Lucky Charms	Sleeve rips off, I slip, I fall
The maids come (16) too much	The market's down like sixty stories
Parents ain't around enough	And some don't end the way they should
Too many joy rides in daddy's Jaguar	My silver spoon
Too many white lies and	Has fed me good
White lines	A million one, a (27) cash
Super rich kids with nothing but loose ends	Close my (28) and feel the crash
Super rich (17) with (18) but	
fake friends
