Up All Night (Live) by One Direction

Fill in the gaps

		I wanna stay up all night
It feels (1) we been (2)	in	And jump around until we see the sun
fast-foward		I wanna stay up all night
Another moment passing by		And find a (13) and tell her she's the one
(Up up up all night)		Hold on to the feeling
The party's ending but it's now or never		And don't let it go
Nobody's going home tonight		'Cause we got the (14) now
(Up up up all night)		Get out of control
Katy Perry is on replay		I wanna (15) up all night
She's on replay		And do it all with you
DJ got the (3) to shake		Up all night
The floor to shake		Like this, all night, hey
People going all the way		Up all night
Yeah, all the way		Like this, all night, hey
I'm still wide awake		Up all night
I wanna (4) up all night		Katy (16) is on replay
And jump around until we see the sun		She's on replay
I (5) stay up all night		Katy Perry is on replay
And find a girl and (6) her she's the one		(Up all night)
Hold on to the feeling		DJ got the floor to shake
And don't let it go		The floor to shake
'Cause we got the flow now		DJ got the floor to shake
Get out of control		(Up all night)
I wanna stay up all night		Up all night, up all night
And do it all with you		We're gonna want to stay up all night
Up all night		I wanna stay up all night
Like this, all night, hey		And jump (17) until we see the sun
Up all night		I wanna (18) up all night
Like this, all night, hey		And find a (19) and tell her she's the one
Up all night		Hold on to the feeling
Don't even care about the table breaking		And don't let it go
We only wanna (7) a laugh		'Cause we got the flow now
(Up up up all night)		Get out of control
I'm only thinking 'bout this (8) I'm seeing		I wanna stay up all night
I hope she (9) kiss me back		And do it all with you, (20) you
(Up up up all night)		Up all night
Katy Perry is on replay		Like this, all night, hey
She's on replay		Up all night
DJ got the floor to shake		Like this, all night, hey
The (10) to shake		Up all night
People (11) all the way		
Yeah, all the way		
I'm still (12) awake (stay)
