

Another Love by Tom Odell

I wanna take you somewhere	And I wanna cry
So you know I care	I wanna learn to love
But it's so cold	But all my tears
And I don't (1)_____ where	Have been used up
I brought you daffodils	On another love
In a pretty string	Another love
But they won't flower	All my tears
Like they did last spring	Have been used up
And I wanna kiss you	On another love
Make you feel alright	Another love
I'm just so tired	All my tears
To (2)_____ my nights	Have (7)_____ used up
I wanna cry	On another love
And I wanna love	Another love
But all my tears	All my tears
Have been used up	Have been used up
On (3)_____ love	(...)
Another love	I wanna sing a song
All my tears	That'd be just ours
(Have) been used up	But I sang them all
On another love	To another heart
Another love	And I wanna cry
All my tears	I wanna fall in love
Have (4)_____ used up	But all my tears
On another love	Have (8)_____ (9)_____ up
Another love	On another love
All my tears	Another love
Have (5)_____ used up	All my tears
And if somebody hurts you	Have been used up
I wanna fight	On another love
But my hand's been broken	Another love
One too many times	All my tears
So I use my voice	Have been (10)_____ up
I'll be so fucking rude	On another love
Words (6)_____ always win	Another love
But I know I'll lose	All my tears
And I'd sing a song	Have been used up
That'd be just ours	
But I said them all	
To another heart
