She captures her reflection	Change, change your life, take it all
Then she throws the mirror to the floor	(Take it all)
Her image is distorted screaming	We're gonna stick together
Is it worth it anymore?	Know we'll get through it all
(No-oh-oh)	Change, change your life, take it all, yeah
Are you scared of the things	(Take it all)
That they (1) put you through?	You're gonna use it to become
Does it make you wanna hide the inner you?	What you've always known
You're not the only one so let them criticize	(Become what you've always known)
	Change, change your life (yeah) take it all
You're untouchable when you realize	(Change your life and take it all)
(Oh)	Change, change your (7) (yeah) take it all
Change, change your life, take it all	(Change your life and take it all)
We're (2) stick together	You got the right to show the world
Know we'll get through it all	Something never seen
Change, change your life, (3) it all, yeah	We wanna hear you scream it out
(Take it all)	You're not alone
You're (4) use it to become	(Whoa, yeah)
What you've always known	Change, (8) your life, take it all
(Become what you've always known)	(Take it all)
His body starts to flicker	We're gonna stick together
Like nobody wants to know his name	Know we'll get through it all
Just another soul with feelings	(We're invincible)
But nobody's there to feel the pain	Change, change your life, take it all
No, no, no	(Change (9) life and take it all)
They can rip you, bring you down, down to their size	You're gonna use it to become what you've always known
But they will (5) get to the heart you hold inside	Take it all
(Mm, mm, mm)	Become what you've (10) known
You're not the only one so let (6) criticize	
You're untouchable when you realize	
(Ooh-oh-oh)
