SUB inglés

Leave, leave me for now and forever

Fill in the gaps

The Haunting (Somewhere In Time) by Kamelot & Simone Simons

Merely the sound of your voice		Leave while you can	
Made me (1)	that	Somewhere in time I will find you and haunt you again	
That you were her		Like the wind sweeps the earth	
Just like the river disturbs		Somewhere in time when no virtues are left to defend	
My inner peace		You fall in deep	
Once I believed I could find		I was a liar in every debate	
Just a trace of her beloved soul		I (7) the forces that (8) your h	ate
Once I believed she was all		When the cold in my heart leaves it comes to an end	
Then she smothered my beliefs		And quietly I'll go to sleep	
One cold winter's night		Follow me into the light	
I may follow her (2) to the river		Like ice on a lake of tears	
Somewhere in time I will find you and haunt you again		I'll take you through	
Like the wind sweeps the earth		Or leave me tonight	
Somewhere in time when no (3) are left to	I've gone too far to begin all anew	
defend		With someone (9) you	
You fall in deep		Somewhere in time I will find you and love you again	
How could that first time recur		Like the wind sweeps the earth	
When memories linger		Somewhere in time when no virtues are left to defend	
On and on		You've fallen deep	
What (4) me think you were her		I was a liar in every debate	
Helena is dead to all		I rule the (10) that fueled your hate	
Dead to all		When the cold in my heart leaves it comes to an end	
Nothing can bring her to life		Quietly I'll go to sleep	
Don't pretend (5) I'II	be loving you		
Once I (6) she was gone			
I corrupted from within			

- 1. believe
