In One Ear by Cage The Elephant

They say that we ain't got the style

We ain't got the class

We ain't got the tunes

That's goin' to put us on the map

And I'm a phony in disguise

Trying to make the radio

I'm an anti-social anarchist

I sound like so and so

They say I'm just a stupid kid

Another (1)_____ radical

Rock and roll is dead

I (2)_____ should've (3)_____ in

school

Another (4)_____ X

Who somehow slipped up through the cracks

(Oh) they'd love to see me fall

But I'm (5)_____ on my back

So it goes In one ear

And right out the other

People talkin' ****

But you know I never bother

It goes in one ear

And right out the other

People talkin' ****

They can kiss the back of my hand

Now I know I'm not a saint

I been a sinner all my life

I ain't trying to hide my flaws

I'd rather keep them in the light

They wanna criticise, scrutinize

Cast another stone

Burn me at the stake

And sit and watch it from their throne

They say the devil is my pal

I do a lotta drugs!

The crowd will only like me

If they're really ***** drunk

They think they know my thoughts

But they don't know the list

If they (6)_____ to the words

They'd find a message tucked beneath

But it goes in one ear

And right out the other

People talkin' ****

Even though they never bother

It goes in one ear

And right out the other

People talkin' ****

They can kiss the back of my hand

You hear that?

You hear what's coming?

(Oh) you better run for the hills

'Cause we're coming to your town

And we're gonna burn that ***** down

...

Here's the moral to the story

We don't do it for the glory

We don't do it for the money

We don't do it for the fame

So all the (7)_____ who despise

Go (8)_____ and criticise

It's your tyranny that drives us

Adds the fire to our flames

And it goes in one ear

And right out the other

People talkin' ****

But you know we'll never bother

It goes in one ear

And right out the other

I'm (9)_____ playing music

'Cause you know I ***** love it

It (10)_____ in one ear

And right out the other

People talkin' ****

But you know I never bother

It goes in one ear

And right out the other

People talkin' ****

They can kiss the back of my hand
