In One Ear by Cage The Elephant

Fill in the gaps

They say that we ain't got the style We ain't got the class We ain't got the tunes That's goin to put us on the map And I'm a phony in disguise Trying to make the radio I'm an anti-social anarchist I sound like so and so They say I'm (1)_____ a stupid kid Another crazy radical Rock and roll is dead I probably should've stayed in school Another generation X Who somehow slipped up through the cracks (Oh) they'd (2)_____ to see me fall But I'm (3)_____ on my back So it goes In one ear And right out the other People talkin' **** But you know I never bother It goes in one ear And right out the other People talkin' **** They can (4)_____ the back of my hand Now I know I'm not a saint I been a sinner all my life I ain't trying to hide my flaws I'd rather (5)_____ them in the light They wanna criticise, scrutinize Cast another stone Burn me at the stake And sit and watch it from their throne They say the devil is my pal I do a lotta drugs! The crowd will (6)___ ____ (7)____ me If they're really ****** drunk They think they know my thoughts

But they don't know the list

If they listen to the words

They'd find a message tucked beneath

But it goes in one ear
And right out the other
People talkin' ****
Even though they never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand
You hear that?
You hear what's coming?
(Oh) you better run for the hills
'Cause we're coming to your town
And we're gonna burn that ********* down
Here's the moral to the story
We don't do it for the glory
We don't do it for the money
We don't do it for the fame
So all the critics who despise
Go ahead and criticise
It's your tyranny that (8) us
Adds the fire to our flames
And it goes in one ear
And right out the other
People talkin' ****
But you know we'll never bother
It goes in one ear
And right out the other
I'm only (9) music
'Cause you know I ******* love it
It goes in one ear
And right out the other
People talkin' ****
But you know I never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand
