

Fill in the gaps

In One Ear by Cage The Elephant

They say that we ain't got the style
We ain't got the class
We ain't got the tunes
That's goin to put us on the map
And I'm a (1)_____ in disguise
Trying to make the radio
I'm an anti-social anarchist
I sound like so and so
They say I'm just a stupid kid
Another crazy radical
Rock and roll is dead
I probably should've (2)_____ in school
Another generation X
Who somehow (3)_____ up through the cracks
(Oh) they'd (4)_____ to see me fall
But I'm already on my back
So it goes In one ear
And right out the other
People talkin' ****
But you know I never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand
Now I know I'm not a saint
I been a sinner all my life
I ain't trying to hide my flaws
I'd rather keep them in the light
They wanna criticise, scrutinize
Cast (5)_____ stone
Burn me at the stake
And sit and (6)_____ it from (7)_____ throne
They say the (8)_____ is my pal
I do a lotta drugs!
The crowd (9)_____ only like me
If they're really ***** drunk
They think they know my thoughts
But (10)_____ don't know the list
If (11)_____ listen to the words
They'd (12)_____ a message tucked beneath

But it goes in one ear
And right out the other
People talkin' ****
Even though they never bother
It goes in one ear
And right out the other
People talkin' ****
They can (13)_____ the back of my hand
You hear that?
You hear what's coming?
(Oh) you better run for the hills
'Cause we're coming to your town
And we're gonna (14)_____ that ***** down
...
Here's the moral to the story
We don't do it for the glory
We don't do it for the money
We don't do it for the fame
So all the critics who despise
Go (15)_____ and criticise
It's your tyranny (16)_____ drives us
Adds the fire to our flames
And it goes in one ear
And right out the other
People talkin' ****
But you know we'll never bother
It goes in one ear
And right out the other
I'm only playing music
'Cause you know I ***** love it
It goes in one ear
And right out the other
People talkin' ****
But you know I never bother
It goes in one ear
And right out the other
People talkin' ****
They can kiss the back of my hand

Answer

1. phony
2. stayed
3. slipped
