

What I've said from the start

Fill in the gaps

Raised By Wolves by Falling In Reverse

| I was lost, now I'm found | is i'll never let your system |
|--|--|
| But sustained by the sound | Break me down or tear me apart |
| Of the (1) singing me to sleep | Don't be (19) I was (20) by |
| While my (2) are leaving the ground | the wolves |
| Am I dead? | Now the moon hangs in full |
| Or am I dreaming instead? | So you know I won't |
| A cornucopia of opiates (3) (4) | Play by the rules, I will never spill |
| my head | Spill my blood for you |
| I'm insane, I am smart | You (21) let me down, one too (22) |
| All it takes, is a spark | times |
| To ignite my bad intentions | Someway, somehow, we've fallen out |
| And do what I do best to your heart | Caught in between my enemies |
| Don't be fooled, I was (5) by the wolves | No way, not now, I won't back down |
| Now the (6) hangs in full | I draw the line at you and me |
| So you (7) I wont | You're (23) I started, now disregarded |
| Play by the rules, I (8) spill | One day they'll see, it was always me |
| Spill my (10) for you | (Oh) this is the end of you |
| You have let me down | This is where I draw the line |
| One too many times | And I won't lose |
| Someway, somehow, we've fallen out | This war is mine |
| Caught in (11) my enemies | (Oh) |
| No way, not now, I won't (12) down | Spill my (24) for you |
| I draw the line at you and me | One too many times |
| You're what I started, now disregarded | Someway, somehow, we've fallen out |
| One day they'll see, it was always me | Caught in between my enemies |
| Due to (13) I (14) | No way, not now, I won't back down |
| (15) to the state | I draw the line at you and me |
| I am (16) inside a dillinger | You're what I started, now disregarded |
| Diligently thinking of ways | One day they'll see, it was always me |
| To get out of this God (17) place | One day they'll see, it was always me |
| I have learned (18) the fate | It was always me |
| Is something I can't escape so | |
| Sound the alarm | |
