

## Fill in the gaps

| Hello, nello                                     | Now I'm back at your door            |
|--|--------------------------------------|
| I (1) it's been awhile, but, baby                | You're looking at me, unsure         |
| I got something that I really wanna let you know | I should've seen it before           |
| Yeah   | You're all I (14) about baby         |
| Something that I wanna let you know              | I was so stupid for (15) you go      |
| You say, you say to everybody                    | But I I I know you're still the one  |
| That you hate me                                 | You might (16) moved on              |
| Couldn't blame you                               | But girl you should know             |
| 'Cause I know I left you all alone, yeah         | That I I I know you're still the one |
| I (2) that I left you all alone                  | I know I'm saying too much           |
| Yeah   | But I (17) never give up             |
| Now I'm back at your door                        | I was so stupid for (18) you go      |
| You're (3) at me, unsure                         | But I I I know you're (19) the one   |
| I should've (4) it before                        | III (hey)                            |
| You're all I think about baby                    | III (hey)                            |
| I was so stupid for letting you go               | III (hey)                            |
| But III know you're still the one                | 111                                  |
| You might have moved on                          | Hey                                  |
| But girl you (5) know                            | You                                  |
| That III know you're (6) the one                 | You're (20) the one                  |
| I know I'm saying too much                       | Hey                                  |
| But I (7) never give up                          | You                                  |
| I was so (8) for letting you go                  | You're still the one                 |
| III (9) you're (10) the one                      | Hey                                  |
| III (11) you're still the one                    | You                                  |
| Hello, hello                                     | You're still the one                 |
| I'm really hoping you'll forgive me              | Hey                                  |
| I keep talking, begging                          | You                                  |
| Tell me what I wanna hear, yeah                  | You're still the one                 |
| Girl, just (12) me (13) I wanna hear             | I know I'm (21) too much, yeah       |
| I tried and tried                                | But I (22) never (23) up             |
| To start again and find somebody                 | I was so stupid for letting you go   |
| But I remember all the times                     | III know you're still the one        |
| And all the words we said, yeah                  | III know you're (24) the one         |
| I can't get it out of my head                    |                                      |
| Yeah   |                                      |
