

## Fill in the gaps

Check it out	But I'm lying to myself
It feels kind crazy	'Cause I know I don't want nobody else
These covers	'Cause these lips are missing you (missing you)
May (1) me warm at night	'Cause these lips ain't kissing you (kissing you)
But they (2) take (3) place	These eyes put up a fight
Cause (4) never (5) (6)	But once again these (17) always win
me tight	These (18) are wanting you (wanting you)
And these pillows	'Cause these arms ain't (19) you (holding
May let me rest my head	you)
But they cant say good night	These eyes put up a fight
And tuck me in (7) I go to bed	But (20) again these tears always win
Say now baby girl you're better off	Tell me when the hell this
That's what I'm telling myself	Loneliness is gonna be over
	(Gonna be over)
But I'm lying to myself	When everything in this (21) reminds me of you
'Cause I (8) I don't (9) nobody else	(You)
These lips are missing you	Everytime I think, I'm (22) closer
Cause these lips ain't kissing you	'Cause tears drown me out, once again I lose
These (10) put up a fight	'Cause these lips are missing you (missing you)
But once again these tears always win	'Cause these lips ain't kissing you (kissing you)
These arms are wanting you	I put up a fight
Cause these (11) ain't (12) you	But once again (23) tears always win
These (13) put up a fight	Crying like
But once again (14) tears always win	(Oh oh oh oh)
These candles	These eyes put up a fight
Light up my room at night	But once again these tears always win
But they can't lid the room the way you did	Crying like
When you walked inside	(Oh oh oh oh)
Oh baby	These (24) put up a fight
If these walls could sing	But (25) (26) these tears always win
About everything they've witnessed	These eyes put up a fight
Oh it'd be a sad sad song	But once again
And it'll probably (15) something (16)	These (27) always win
this	
I say now baby girl you're better off	
That's what I'm telling myself
