

Fill in the gaps

Check it out	But I'm lying to myself
It feels kind crazy	'Cause I know I don't want nobody else
These covers	'Cause these lips are missing you (missing you)
May keep me warm at night	'Cause (10) (11) ain't kissing you
But they (1) take (2) place	(kissing you)
'Cause they never gonna hold me tight	These eyes put up a fight
And these pillows	But once again (12) (13) always
May let me (3) my head	win
But they cant say (4) night	These arms are wanting you (wanting you)
And tuck me in before I go to bed	'Cause these (14) ain't (15) you
Say now (5) girl you're better off	(holding you)
That's what I'm telling myself	These eyes put up a fight
	But once (16) these tears always win
But I'm lying to myself	Tell me when the hell this
'Cause I know I don't want nobody else	Loneliness is gonna be over
These lips are missing you	(Gonna be over)
'Cause (6) lips ain't kissing you	When everything in this room reminds me of you
These eyes put up a fight	(You)
But once again these tears always win	Everytime I think, I'm getting closer
These arms are wanting you	'Cause (17) drown me out, once
'Cause these arms ain't holding you	(18) I lose
These eyes put up a fight	'Cause these (19) are missing you (missing you)
But (7) again these tears always win	'Cause these (20) ain't kissing you (kissing you)
These candles	I put up a fight
Light up my room at night	But once again these tears always win
But they can't lid the room the way you did	Crying like
When you walked inside	(Oh oh oh oh)
Oh baby	These eyes put up a fight
If these walls could sing	But once (21) these (22) always
About everything they've witnessed	win
Oh it'd be a sad sad song	Crying like
And it'll probably (8) something like this	(Oh oh oh oh)
I say now baby (9) you're better off	These (23) put up a fight
That's what I'm telling myself	But (24) again these tears always win
	These (25) put up a fight
	But once again
	These tears always win
