

Fill in the gaps

11th Dimension by Julian Casablancas

I'll just nod, I've never been so good at shaking hands	While it hears you, trapped in another dimension
I (1) on the frozen surface of a fireball	Drop your guard, you don't have to be smart all of the time
Where cities come together	I've got a mind full of blanks
To hate (2) other in the name of sport	I need to go (6) new fast
America, nothing is ever just anything	And don't be shy, (oh) no, at least deliberately
I looked up to you	Cause no one really cares or wonders why anymore (oh)
But you thought I would look the other way	I got music, coming out of my hands and feet and kisses (oh)
And you hear what you want to hear	That is how it (7) was done
And they take what they want to take	All the dreamers on the run
Don't be sad, won't ever happen like this anymore	Forgive them, even if they are not sorry
So when's it coming	All the vultures, bootleggers at the door waiting
This last new great movement (3) I can join?	We're so quick to point out our own flaws in others
It won't end here	Complicated mammals on the wings of robots
Your faith has got to be greater than your fear	If you (8) in this world then no one has died
Forgive them, even if they are not sorry	in vain
All the vultures, (4) at the	But don't you dare get to the top and not know (9)
(5) waiting	to do
You are looking for your own voice but in others	

- 1. live
- 2. each
- 3. that
- 4. bootleggers
- 5. door
- 6. somewhere
- 7. once
- 8. believe
- 9. what
