

Fill in the gaps

We are young	We're not cool		
We are strong	We are free		
We're not looking for where we belong	And we're (10)	with blood on our knees	
We're not cool	We are young		
We are free	We are strong		
And we're running with blood on our knees	We're not (11)	for where we belong	
We could rule the world	We're not cool		
On a (1) platter	We are free		
From the (2) to the right light	And we're (12)	with blood on our knees	
To an (3) stream	What do they know about us	?	
With a (4) and burn	Are they thinking of someboo	dy else?	
We (5) make it better	Are they wondering (13)	we (14) be	e?
Turn it upside down	Are they (15)	of you or of me?	
Just you and me	We are young		
We are the dream	We are strong		
No other way	We're not (16)	for where we belong	
To be	We're not cool		
We are young	We are free		
We are strong	And we're running with blood	l on our knees	
We're not looking for where we belong	We are young		
We're not cool	We are strong		
We are free	We're not (17)	for where we belong	
And we're running with (6) on our knees	We're not cool		
I could change the world	We are free		
I could (7) it better	And we're (18)	with (19)	on
Kick it up and down	our knees		
Take a chance on me	We are young		
When you (8) a smile	We are strong		
And you (9) you're better	We're not looking for where w	we belong	
Gonna put it down	We're not cool		
Rip it at your feet	We are free		
No bridge to burn	And we're running (20)	(21) on o	our
Nowhere to turn	knees		
For me	We are young		
We are young	We are strong		
We are strong	We're not (22)	for (23)	we
We're not looking for where we belong	belong
