

Fill in the gaps

Mysterious	But the lion is
That's what I call you	Peace and power, love forever
I'm curious about you	Who am I to (8) before you?
I'm (1) and I'm not sure (2) you are	I am speechless
safe	But in my weakness
But your eyes (3) to say (4) you are	You are here and all is well
good	You took me from all that I knew
This is not a dream that I'm living	Shown me how it feels to hope
This is just a world of your own	With you with me, facing (9) together
You took me from all that I knew	I can learn to fly
Shown me how it feels to hope	Feels like I'm living in a lion's mouth
With you (5) me, facing tomorrow together	But the lion is (an angel)
I can learn to fly	This is not a dream that I'm living
Feels like I'm living in a lion's mouth	This is just a world of your own
But the lion is an angel	You took me from all that I knew
Wise eyes, you see the core of me	Shown me how it feels to hope
Your (6) melts me	With you (10) me, facing tomorrow together
And now I know (7) words cannot describe	I can learn to fly
The power that I feel when I'm with you	Feels like I'm living in a lion's mouth
This is not a dream that I'm living	But the lion is an angel
This is just a world of your own	Is an angel
You took me from all that I knew	
Shown me how it feels to hope	
With you with me, facing tomorrow together	
I can learn to fly	
Feels like I'm living in a lion's mouth	

- 1. scared
