

Fill in the gaps

The sun touches my skin	I'm gonna run run, run to you
But I'm freezing within	I'm gonna run run, run to you
Look outside it's a beautiful day	I'm (5) run run, run to you
But I feel cold inside	I'm (6) run run, run to you
'Cause you're so far away	I'm gonna run run, run to you
I'm gonna run run fast as I can	I'm gonna run run, run to you
Cause I just want to be with you again	I'm gonna run run, run to you
I'm gonna run run out of (1) place	I'm gonna run run, run to you
So I can see the sun (2) on (3) face	I'm gonna run run (7) as I can
And I can be with you	'Cause I (8) want to be (9) you again
Be with you	I'm gonna run run out of this place
Be with you again	So I can see the sun shine on your face
And I can be with you	And I can be with you
Be (4) you	Be with you
Be with you again	Be with you again
A perfect sky, so clear	And I can be with you
But I'm in shadows, cause you're not here	Be with you
Look outside, summer's here to stay	Be (10) you again
But I feel cold inside	
Since the day you went away
