Picture To Burn by Taylor Swift

Fill in the gaps

State the obvious, I didn't get my perfect fantasy	As far as I'm concerned you're
I realized you love yourself more than you could ever love me	Just another picture to burn
So go and tell (1) (2) that I'm	And if you're (5) me better keep it to
obsesive and	yourself
Crazy, that's fine, you won't mind if I say	Cause coming back aroud here
By the way	Would be bad for (6) health
I hate that stupid, old pick-up truck	Cause I hate that stupid, old pick-up truck
You never let me drive	You never let me drive
You're a redneck, heartbreak	You're a redneck, heartbreak who's really bad at lying
Who's really bad at lying	So watch me strike a match on all my wasted time
So watch me strike a (3) on all my wasted time	In case you haven't heard
As far as I'm concerned you're	I really, really hate that stupid, old pick-up truck
Just another picture to burn	You never let me drive
There's no time for tears	You're a redneck, heartbreak who's really bad at lying
I'm just sitting here planning my revenge	So watch me strike a match on all my wasted time
There's nothing stopping me	As far as I'm (7) you're
From (4) out with all your best friends	Just (8) picture to burn
And if you come around, say you're sorry to me	Burn, burn, baby, burn
My daddy's gonna show you how sorry you'll be	Just (9) picture to burn
By the way I hate that stupid, old pick-up truck	Baby, burn
You never let me drive	
You're a redneck, heartbreak who's really bad at lying	
So watch me strike a match on all my wasted time
