

Fill in the gaps

Walking through a dream	So I offer my life
I see you	I offer my love, for you
My (1) in darkness breathing hope of new life	When my heart was (18) open
Now I (2) through you and you through me	(and my (19) (20) free)
Enchanting	To the (21) that you (22) shown me
I (3) in my (4) (5) this	But my eyes could not division
dream never ends	All the colours of love and of life ever more
I see me (6) your eyes	Evermore
Living through life flying high	(I see me through (23) eyes)
Your life (7) the way into paradise	I see me through (24) eyes
So I offer my life as a sacrifice	(Living through (25) (26) high)
I live (8) your love	Flying high
You teach me how to see	Your love shines the way into paradise
All (9) beautiful	So I offer my life as a sacrifice
My senses touch (10) word I never pictured	And live through your love
Now I (11) my (12) to you	And live through (27) life
I surrender	I see you
I (13) in my heart that (14) world	I see you
(15) ends	
I see me through (16) eyes	
Living through life flying high	
Your love (17) the way into paradise
