I'm getting out of control

Fill in the gaps

In Da Name Of Love by Ray & Anita

When I need to get away	I'm losing my mind
From all this negativity	In da name of love
Music takes me to a place	I'm losing my mind
Where my mind can be at ease	I'm (4) out of control
Yeah I got my (1) on	I'm losing my mind
Get it twisted	In da name of love
In da name of love	It's not only what you want
Yeah, you're all uplifted	It's only what you can get out of it
Haterz, who you think you is	In da name of love
Why you runnin' your mouth	It's not only (5) you want
All up in my biz	It's only what you can get out of it
Still unlimited	In da name of love
You're so limited	When I need to get away
Recognize style	From all this negativity
Cause I'm oh so kickin' it	Music takes me to a place
Yeah you know where I got it from	Where my mind can be at ease
When I grab the mic it explodes like a bomb	I got my hands up in the air
I put it down for the white, the yellow, the purple	Take me away cause I don't care no mor
All come (2) in a circle	'Bout what tomorrow brings
I put it down for the white, the yellow, the purple	Until the fat (6) sings
All come around in a circle	I'm getting out of control
It's not only what you want	I'm losing my mind
It's only what you can get out of it	I'm (7) out of control
In da name of love	I'm losing my mind
It's not only what you want	In da (8) of love
It's only what you can get out of it	I'm losing my mind
In da name of love	I'm getting out of control
Take me to the star	I'm losing my mind
Let your love rain down on me	In da name of love
Embrace me with the music	It's not only what you want
And set me free	It's only what you can get out of it
I got my hands up in the air	In da name of love
Take me away cause I don't (3) no more	It's not only what you want
'Bout what tomorrow brings	It's only what you can get out of it
Until the fat lady sings	In da name of love
