

## Fill in the gaps

Baby Britain feels the best		You put (5)	apart		
Floating over a sea of vodka		And I can't help you until you start			
Separated from the rest		You've got a look in your	r eye (6)	you're	saying
Fights (1) with bigger problems		goodbye			
Sees the ocean fall and rise		Like you want to say hi			
Counts the waves that (2)	_ didn't hit her	The light was on but it was	dim		
Water pourning from her eyes		Revolver's been turned over			
Alcohol again, very bitter		And now it's ready once again			
For someone half as smart		The radio is playing Crimson and Clover			
You'd be a work of art		London Bridge is safe and sound			
You put yourself apart		No matter what you keep repeating			
And I can't help until you start		Nothing's gonna drag me down			
We knocked another couple back		To a death that's not worth cheating			
The dead soldiers lined up on the table		For someone half as smart			
Still prepared for an attack		You'd be a (7) o	of art		
They didn't know they'd been disabled		You put yourself apart			
Felt a wave, a rush of blood		And I can't (8)	(9)	_ you start	
You won't be happy 'til the bottle's broken		For someone half as smart			
You're out swimming in the flood		You'd be a work of art			
You kept back, you kept unspoken		You put yourself apart			
For (3) half as smart					
You'd be a (4) of art
