

Fill in the gaps

He said the way my blue eyes shined	When you think Tim McGraw
Put those Georgia stars to (1) that night	I hope you (13) my favourite song
I said that's a lie	The one you (14) to all night long
Just a boy in a chevy truck	The moon like a spotlight on the lake
That had a (2) of getting stuck	When you (15) happiness
On backroads at night	I hope you (16) that little black dress
And I was right there (3) him	Think of my head on your chest
All summer long	And my old faded blue jeans
And then the time	When you think Tim McGraw
We woke up to find	I hope you think of me
That summer'd gone	And I'm back for the first time since then
And when you think Tim McGraw	I'm standing on your street
I hope you (4) my favourite song	And there's a letter left on your doorstep
The one we danced to all (5) long	And the (17) thing that you'll read
The moon like a spotlight on the lake	Is when you think Tim McGraw
When you think happiness	I (18) you think my favourite song
I hope you (6) that little (7) dress	So then you'll turn (19) radio on
Think of my head on (8) chest	I (20) it takes you (21) to (22)
And my old (9) blue jeans	place
When you think Tim McGraw	When you think happiness
I hope you think of me	I hope you (23) that little black dress
September saw a month of tears	Think of my head on (24) chest
And thanking God that you weren't here	And my old faded blue jeans
To see me like that	When you think Tim McGraw
But in a box beneath my bed	I hope you think of me
There's a letter (10) you never read	You think of me
Three (11) back	He said the way my (25) eyes shined
It's hard not to find it all a little	Put those Georgia stars to (26) (27)
Bitter sweet	night
And (12) back on all the sad	I said that's a lie
It's nice to believe
