

## Fill in the gaps

It's a (1) bit funny (2) feelin' inside	So excuse me forgettin', but these things I do
I'm not one of those who can easily hide	You see I've forgotten, if they're green or they're blue
Don't have much money, boy, but if I did	Anyway the thing is, what I really mean
I'll buy a big house where we both could live	Yours are the sweetest eyes I've ever seen
If I was a sculptor ha, but then again no	And you can tell everybody (7) is the song
Or a man who makes potions in a travellin' show	It may be quite simple now that it's done
I know it's not much, but it's the best I can do	I hope you don't mind, I hope you don't mind
My (3) is my song and this one's for you	That I put (8) in words
And you can tell (4) this is your song	How wonderful life is (9) you're in the world
It may be quite simple but now that it's done	I hope you don't mind, I hope you don't mind
I hope you don't mind, I hope you don't mind	That I put down in words
That I put down in words	How wonderful life is while you're in the world
How wonderful life is while you're in the world	
I sat on the roof and kicked off the moss	
Well a few of the verses, well they've got me quite cross	
But the sun's been quite kind (5) I wrote this	
song	
It's for (6) like you that keep it turned on	

- 1. little
- 2. this
- 3. gift
- 4. everybody

- 7. this

- 9. while
