Fill in the gaps

A Thousand Kisses Deep by Leonard Cohen

| The ponies run, the girls are young | | | I blessed our remnant fleet | | |
|---------------------------------------|------------|-----------|---------------------------------------|-----------------|--------------------------|
| The odds are there to beat | | | And then consented to be wrecked | | |
| You win a while, and then it's done | | | A thousand (5)_ | | deep |
| Your little winning streak | | | I'm turning tricks, I'm getting fixed | | |
| And summoned now to deal | | | I'm back on Boogie street | | |
| With your invincible defeat | | | I (6) | (7) | won't exchange the gifts |
| You live your life as if it's real | | | That you were meant to keep | | |
| A thousand kisses deep | | | And quiet is the thought of you | | |
| I'm turning tricks, I'm getting fixed | | | The (8) on you complete | | |
| I'm (1) on Boogie Street | | | Except what we forgot to do | | |
| You lose your grip, and then you slip | | | A thousand kisses deep | | |
| Into the masterpiece | | | And sometimes when the night is slow | | |
| And maybe I had miles to drive | | | The wretched and the meek | | |
| And promises to keep | | | We (9) up our hearts and go | | |
| You ditch it all to stay alive | | | A thousand kisses deep | | |
| A thousand (2) deep | | | The ponies run, the girls are young | | |
| And sometimes when the night is slow | | | The odds are there to beat | | |
| The wretched and the meek | | | You win a while, and then it's done | | |
| We gather up our hearts and go | | | Your little winning streak | | |
| A thousand kisses deep | | | And summoned now to deal | | |
| Confined to sex, we (3) |) | _ against | With your invincil | ble defeat | |
| The (4) | of the sea | | You live your life | as if it's real | |
| I saw there were no oceans left | | | A (10) | kis | ses deep |
| For scavengers like me | | | | | |
| I made it to the forward deck | | | | | |

- 1. back
- 2. kisses
- 3. pressed
- 4. limits
- 5. kisses
- 6. guess
- 7. they
- 8. file
- 9. gather
- 10. thousand
