

Fill in the gaps

A Thousand Kisses Deep by Leonard Cohen

The ponies run, the (1) are young	I (18) our remnant fleet
The odds are there to beat	And then consented to be wrecked
You win a while, and (2) it's done	A thousand kisses deep
Your (3) (4) streak	I'm turning tricks, I'm getting fixed
And summoned now to deal	I'm (19) on Boogie street
With your (5) defeat	I guess they won't (20) the gifts
You live your life as if it's real	That you were meant to keep
A thousand (6) deep	And quiet is the thought of you
I'm turning tricks, I'm (7) fixed	The file on you complete
I'm back on Boogie Street	Except what we forgot to do
You lose your grip, and (8) you slip	A thousand (21) deep
Into the masterpiece	And sometimes when the night is slow
And (9) I had (10) to drive	The (22) and the meek
And promises to keep	We gather up our (23) and go
You ditch it all to stay alive	A thousand kisses deep
A thousand (11) deep	The ponies run, the (24) are young
And sometimes (12) the (13) is slow	The (25) are (26) to beat
The wretched and the meek	You win a while, and then it's done
We gather up our (14) and go	Your little winning streak
A (15) kisses deep	And summoned now to deal
Confined to sex, we pressed against	With your invincible defeat
The limits of the sea	You live (27) life as if it's real
I saw there were no oceans left	A thousand kisses deep
For (16) me	
I made it to the forward deck
