

## Fill in the gaps

You don't even have to try
It comes easy for you
The way you move is so appealing
It could (1) me cry
Go out driving with my friends
In Bobby's big old (2) up car
I'm with a lot of people then
I wonder where you are
Good times, bad times, (3) me some of that
Good times, bad times, give me some of that
Good times, bad times, give me some of that
I don't want to say goodbye
Don't want to walk you to the door
I spend a little (4) with you
I (5) a little more
Good times, bad times, give me some of that
Good times, bad times, give me some of that

Good times, bad times, (6) me some of that
And baby really, I don't (7) to
I don't have to go anywhere right now
You (8) some more, you want some more of this
Anywhere where you want baby, just
Say it, just say it
Good times, bad times, give me some of that
Good times, bad times, give me some of that
Good times, bad times, give me some of that
Now I want those good, good, good times
And got (9) bad, bad, bad times
(I want those good, good, good times)
(Gimme (10) of that)
