I hrough the storms and the light	And know (14) we (15) is one thing
Baby, you (1) by my side	Now what is there to allow
And life is wine	Babe, it's time we (16) (17)
But (2) are days in this life	new a try
When you see the teeth (3) of time	(Oh) Alone we may fight
Two (4) divide	So (18) let us be three, tonight
Sound meets sound, babe	Through the (19) and the light
Her (5) the surround	Baby you stood by my side
And (6) that we (7) is one thing	And life is wine
Now what is there to allow?	You feel the (20) breath of time
Babe, it's time we give something new a try	It's whispering, its (21) not mine
(Oh) Alone we may fight	There's no I in threesome
So, just let us be three	And I am all for it
And baby tonight	Babe, it's time we give something new a try
I see (8) (9) are on fire	(Oh) Alone we may fight
And life is wine	And feathers bend (22) trees in the moonlight
Now the windows are open the moon is so bright	Babe, it's time we (23) (24)
There's no one can (10) us (11) love	new a try

Sound (12) sound, babe	So just let us be three tonight
Her (13) they surround
