

# Fill in the gaps

### LoveStoned by Justin Timberlake

(Hey! an)	The way they hit her I just stop and stare (stop and stare)
She's freaky and she knows it	She's got me love (17) (18)
She's freaky and I like it	everywhere
Listen	She's bad and she knows
She grabs the yellow bottle	I think that she knows
She (1) the way it hits her lips	Now dance
She gets to the bottom	Little girl
It sends her on a trip so right	You're freaky, but I like it
She might be going (2) me tonight	Hot damn!
And she looks like a model	(Let me put my funk on this one time)
Except she's got a little more (ass)	(Aw)
Don't (4) bother	Those flashing lights come from everywhere
Unless you've got that (5) she likes (oh)	The way they hit her I (19) stop and stare
I hope she's going home with me tonight	She's got me love stoned from everywhere
(Hey!)	She's bad and she knows
Those flashing (6) come from everywhere	I think that she knows (hey ah)
The way they hit her I just stop and stare	Those flashing lights come from everywhere
She's got me love stoned	The way they hit her I (20) stop and stare
Man I swear, she's bad and she knows	She's got me love stoned
I think that she knows	Man I swear she's bad and she knows
She's (7) and she knows it	I think that she knows
She's freaky, but I like it	Those (21) come
(Yeah)	from everywhere
She shuts the room down	The way they hit her I just (23) and stare
The way she walks and (8) a fuss	She's got me love stoned
The baddest in town	I (24) I'm love stoned
She's flawless like (9) uncut ice	She's got me (25) stoned
I (10) she's going (11) with me tonight	I (26) that she knows, think (27) she
(oh)	knows, (oh, oh)
And all she wants is to dance	Those flashing lights come from everywhere
That's why you'll find her on the floor	The way they hit her I just stop and stare
But you don't have a chance	I'm love stoned from everywhere and she knows
Unless you move the way that she likes	I think that she knows (oh)
That's why she's going (12) with me tonight (oh)	And now I walk around without a care
(Hey!)	She's got me hooked
Those (13) (14)	It just ain't fair, but I
(15) from everywhere	I'm love stoned and I (28) swear
The way they hit her I just stop and stare	That she knows
She's got me love stoned	Think that she knows, (oh, oh)
Man I swear she's bad and she knows	She knows, she knows, (oh, oh)
I think that she knows (ah)	
Those flashing lights seem to (16) a glare	
(cause a glare)
