(Peace up, a-town down)	Yeah, yeah, I got so caught up I forgot she told me
	Yeah, yeah, 'cause if my girl knew it'd be best to hold me
Up in the club with my homies	Yeah, yeah, next thing I knew
Trying to get a little V-I	She was all up on me screaming
Keep it down on the low key	Yeah, yeah, yeahyeah
'Cause you know how it feels	Yeah, yeah, yeahyeah
I said shorty she was checking up on me	(Luda) Watch out, my outfit's ridiculous
From the game she was spitting in my ear	In the club (3) so conspicuous
You'd think that she knew me (knew me)	And (rowl) these women all on the prowl
We decided to chill	If you hold the (head) steady I'm a () the cow
Conversation got heavy	And (4) about the game I'm a spit the truth
She had me feeling like she's ready to blow	I won't stop till I get them in their birthday suits
(watch out, watch out)	So give me the rhythm and it'll be off with they clothes
She's saying come get me (come get me)	Then () over to the front and (5) (6)
So I got up and followed her to the floor	toes
She said baby let's go	I left the jag and I took the roles
When I told her I said	If they ain't cutting then I put them on foot patrol
Yeah, yeah, shorty got down to come and get me	How you like me now
Yeah, yeah, I got so caught up I forgot she told me	When my pinky's valued over three hundred thousand
Yeah, yeah, 'cause if my girl knew it'd be best to hold me	Let's (7) you the one to please
Yeah, yeah, next (1) I knew	Ludacris fill cups like double d's
She was all up on me screaming	Me and (8) once more and we leave them dead
Yeah, yeah, yeah, yeah, yeah	We want a lady in the street but a freak in the bed to say
Yeah, yeah, yeah, yeah, yeah	Yeah, yeah, shorty got down to come and get me
She's all up in my head now	Yeah, yeah, I got so caught up I forgot she told me
Got me thinking that it might good idea to take her with me	Yeah, yeah, 'cause if my girl knew it'd be best to hold me
'Cause she's ready to leave	Yeah, yeah, (9) thing I knew
Now I gotta keep it real now	She was all up on me screaming
'cause on a one to ten she's a certified twenty	Yeah, yeah, yeahyeah
And that just ain't me (hey)	Yeah, yeah, yeahyeah
'Cause I do know if I take that chance	Take that and rewind it back
She's ready, gonna leave	Lil' Jon got the rhythm make your booty go
But what I do know	Take that and rewind it back
Is the way she dances, makes shorty alright with me	Usher got the voice (10) your booty go
The way she's getting low	Take that and rewind it back
I'm like yeah, just work (2) out for me	Ludacris got the flow make your booty go
She asked for one more dance and I'm like yeah	Take that and rewind it back
How the hell am I supposed to leave	Lil' Jon got the rhythm make your booty go
And I said	
Yeah, yeah, shorty got down to come and get me
