

Fill in the gaps

Crawling in my skin	it's naunting now i can't seem
These wounds, they will not heal	To find myself again
Fear is how I fall	My walls are (3) in
Confusing what is real	Without a sense of confidence
There's something inside me that pulls beneath the surface	I'm convinced that there's just too much pressure to take
Consuming, confusing	I've felt this way before
This lack of self control I fear is never ending	So insecure
Controlling, I can't seem	Crawling in my skin
To find myself again	These wounds, (4) will not heal
My walls are closing in	Fear is how I fall
Without a sense of confidence	Confusing (5) is real
I'm (1) that there's just too much	Crawling in my skin
pressure to take	These wounds, they will not heal
I've felt this way before	Fear is how I fall
So insecure	Confusing, confusing what is real
Crawling in my skin	There's something (6) me that pulls
These wounds, they (2) not heal	(7) the surface
Fear is how I fall	Consuming, confusing what is real
Confusing what is real	This lack of self control I fear is (8) ending
Discomfort, endlessly has pulled itself upon me	Controling, confusing (9) is real
Distracting (distracting), reacting	
Against my will I stand beside my own reflection
