

Fill in the gaps

You're so quiet
But it doesn't phase me
You're on time
You (1) so fast, (2) me (3)
lazy
And let's join forces
We've got our guns and horses
I know you've (4) burned
But every fire is a lesson learned
I left my house, left my clothes
Door wide open, Heaven knows
You're so worth it, you are
But I (5) I (6) it all fo
you
I wish I could be it all for you
If I could erase the pain
Maybe you'd (8) the same
I'd do it all for you
I would, I would, I would
Let's type words
'Cause they (9) to nothing
Play it down
Pretend you can't take what you've found
But you found me

On a screen you sit at permanently I (10)_____ my house, left my clothes

Door wide open, (11) knows
You're so worth it, you are
But I wish I could feel it all for you
I wish I (12) be it all for you
If I (13) erase the pain
And (14) you'd (15) the same
I'd do it all for you
I would, I would, I would
It's (16) to come clean and make sense or
everything
It's (17) that we found out who we are
'Cause when I'm standing here in the dark
I see your face in every star
But I wish I could feel it all for you
I wish I could be it all for you
If I (18) erase the pain
And maybe you'd feel the same
I'd do it all for you
I would, I would
I'd do it all for you, I'd do it all for you
I'd do it all for you, I'd do it all for you
I'd do it all for you, I'd do it all for you
I'd do it all for you, I'd do it all for you

1. move

- 2. makes
- 3. feel
- 4. been
