# Guns And Horses by Ellie Goulding

## Fill in the gaps

\_ sense of

You're so quiet	Door wide open, Heaven knows
But it doesn't phase me	You're so worth it, you are
You're on time	But I wish I could feel it all for you
You move so fast, makes me feel lazy	I wish I could be it all for you
And let's join forces	If I (5) erase the pain
We've got our guns and horses	And maybe you'd feel the same
I (1) you've been burned	I'd do it all for you
But every fire is a lesson learned	I would, I would, I would
I left my house, (2) my clothes	It's time to come (6) and (7)
Door wide open, Heaven knows	everything
You're so worth it, you are	It's time (8) we found out who we are
But I wish I could feel it all for you	'Cause when I'm standing here in the dark
I wish I could be it all for you	I see your face in every star
If I could erase the pain	But I (9) I could feel it all for you
Maybe you'd feel the same	I wish I could be it all for you
I'd do it all for you	If I could erase the pain
I would, I would, I would	And maybe you'd feel the same
Let's type words	I'd do it all for you
'Cause they amount to nothing	I would, I would
Play it down	I'd do it all for you, I'd do it all for you
Pretend you can't take what you've found	I'd do it all for you, I'd do it all for you
But you (3) me	I'd do it all for you, I'd do it all for you
On a screen you sit at permanently	I'd do it all for you, I'd do it all for you
I left my house, (4) my clothes
