

In the future

Fill in the gaps

I am an island underneath the setting sun	Sometimes we start over
In an ocean that is churning	And go solo
For all I (1) (2) might be nobody	No metaphors
nearby	Are needed from
Still, the world, it (3) on turning	This time onwards
And (4) that sun goes down	In the
It gets brighter in my heart somehow	(Soooome)
I don't know why this is	(Oooooooh)
But it's what I want to know	(Aaaaaaah)
Sometimes we (5) over	(Oooooooh)
And go solo	And when the sun goes down
We're (6) for	It gets brighter in my heart somehow
That summer home	I don't know why this is
Beside the sea	But it's what I'd like to know
And for the future	Sometimes we start over
(Oooooooh)	And go solo
Since I left you I'm a gold balloon that wanders high	We're looking for
I won't sing through (7) and showers	The ones we've hurt
Taking lovers just might keep my tears at bay	Just to forgive us
But the dam can break at any hour	In the future
By candle-light you seem	Sometimes we start over
To deepen in your mysteries	And just go solo
Confusing forces move	No metaphors
At the tides of (8) seas	Are needed from
Sometimes we start over	This time onwards
And go solo	In this song
We're looking for	
The ones we've hurt	
Just to forgive us
