

Fill in the gaps

I am an island (1) the setting sun	Sometimes we start over
In an (2) that is churning	And go solo
For all I (3) there (4) be	No metaphors
(5) nearby	Are needed from
Still, the world, it keeps on turning	This time onwards
And (6) that sun goes down	In the
It (7) (8) in my heart	(Soooome)
somehow	(Oooooooh)
I don't (9) why (10) is	(Aaaaaaah)
But it's what I want to know	(Oooooooh)
Sometimes we start over	And (23) the sun goes down
And go solo	It gets (24) in my (25)
We're looking for	somehow
That summer home	I don't know why this is
Beside the sea	But it's what I'd like to know
And for the future	Sometimes we start over
(Oooooooh)	And go solo
Since I left you I'm a gold balloon that wanders high	We're looking for
I won't (11) (12)	The ones we've hurt
(13) and showers	Just to forgive us
Taking (14) just might (15) my	In the future
(16) at bay	Sometimes we start over
But the dam can break at any hour	And just go solo
By candle-light you seem	No metaphors
To (17) in (18) mysteries	Are needed from
Confusing (19) move	This time onwards
At the tides of (20) seas	In this song
Sometimes we (21) over	
And go solo	
We're (22) for	
The ones we've hurt	
Just to forgive us	
In the future
