

In the future

## Fill in the gaps

I am an island underneath the setting sun		Sometimes we start over
In an (1) that is churning		And go solo
For all I know there might be nobody nearby		No metaphors
Still, the world, it keeps on turning		Are needed from
And when that sun goes down		This time onwards
It gets brighter in my heart somehow		In the
I don't know why this is		(Sooooome)
But it's what I want to know		(Oooooooh)
Sometimes we start over		(Aaaaaaah)
And go solo		(Oooooooh)
We're looking for		And when the sun goes down
That summer home		It gets brighter in my heart somehow
Beside the sea		I don't (7) why this is
And for the future		But it's what I'd like to know
(Oooooooh)		Sometimes we (8) over
Since I left you I'm a gold balloon that (2)		And go solo
high		We're (9) for
I won't sing through rainbows and showers		The ones we've hurt
Taking (3)	just might keep my tears at bay	Just to forgive us
But the dam can break at any hour		In the future
By candle-light you seem		Sometimes we start over
To deepen in (4)	mysteries	And just go solo
Confusing forces move		No metaphors
At the tides of (5) seas		Are needed from
Sometimes we start over		This time onwards
And go solo		In this song
We're looking for		
The (6) w	ve've hurt	
Just to forgive us
